**Subject:** RE: Prep - House Science briefing on Glyphosate

Lek wanted to know about IARC in general last Friday. Today should focus more on what happened at the IARC glyphosate meeting. Although I had no involvement in glyphosate, I think I'm wanted for general IARC knowledge.

I haven't been in the loop much on the glyphosate deliberations. If Lek reached out to Vince, we're probably covered? I wouldn't be doing much more than just listening either.

Yes, I'm going. Lek also talked with me by phone late Friday afternoon.

Lou, I don't know if you're aware of this meeting. It's mainly focused on IARC's analysis, and Vince, I assume you're going? I was cc'd on the meeting and I'll be in the building so I could go but I would just be listening.
